PROVIDE FOR CREDIT

[By Associated Press]
PARIS, France.--To provide credit
on reasonable terms to tradesmen and
manufacturers of moderate means
whose situation might otherwise be
precipitous after the war, the French
Parliament has authorized the orga-
nization of mutual loan guaranty so-
cieties and mutual banking societies.
It is proposed that the two types of
organization shall cooperate in provid-
ing credit. Merchants and manufac-
turers are to unite in associations and
accumulate a fund to be deposited in
the mutual banks. Then if a merchant
desires a loan the guaranty company
will endorse his note which he can
discount at the mutual bank. If the
borrower fails to pay the note at ma-
turity the mutual guaranty society must
pay it from its collective fund.
The minister of commerce, has been
authorized to advance 12,000,000
francs without interest to enable the
mutual banks to meet immediate
needs.
